

Spiritual and educational work of the department

The Department of Pediatrics actively participates in spiritual, educational, and upbringing work with students. The main goal of this activity is to form in future doctors high moral qualities, feelings of patriotism, humanism, respect for the patient, and readiness to serve society.

Our department's assistant, N.M. Sobirova, actively participates in the institute's spiritual and educational work. Based on the Decree of the President of the Republic of Uzbekistan No. 2124 "On Additional Measures for the Implementation of State Youth Policy," in accordance with the work carried out in universities under paragraph 41 of this decree, events were held aimed at promoting a healthy lifestyle among young people, preventing AIDS, drug addiction, alcoholism, and tobacco use.

She contributed to the women's volleyball team's achievement of second place nationwide in the 5 important initiatives held at the institute. She showed dedication in winning first place in the "Thinking Tests" competition held among university students, second place for the "Zakovat" student team, and prize-winning places for theater studios. In addition, together with our department's professors and teachers, an event "Sharing Enlightenment" was held in Beruniy district.

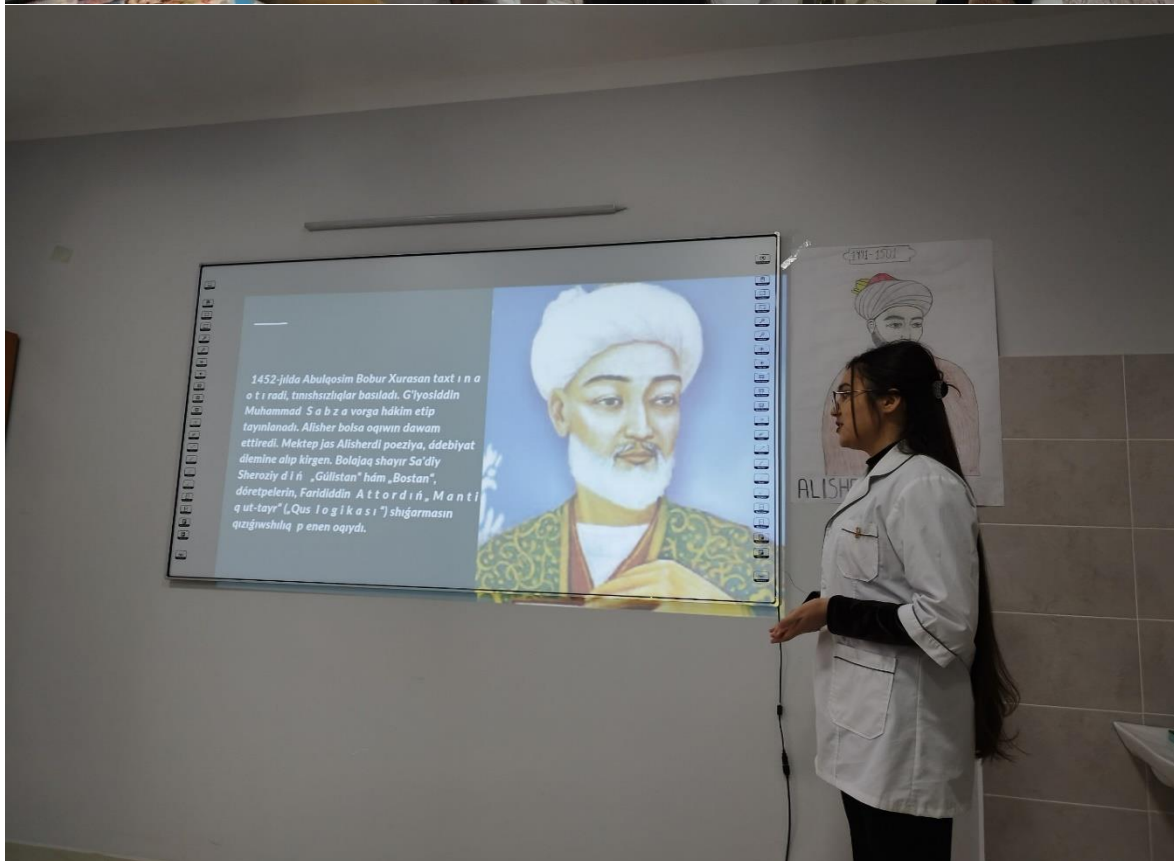

In order to spend students' free time meaningfully and to develop domestic tourism, a trip to museums was organized. The institute's faculty and students participated in the 1000-step and 5000-step marathons. They took an active part in the wide celebration of the birthdays of the great thinkers Alisher Navoi, Zahiriddin Muhammad Babur, and the great commander Amir Temur. Participated in organizing the uplifting celebration of the 95th anniversary of famous poets and writers, Heroes of Uzbekistan Ibrayim Yusupov and Tulepbergen Kaipbergenov.

At our department, information lessons are held weekly for students on topics provided by the educational and spiritual department.

In addition, our department actively participates in the Navruz holiday, which is held annually within the framework of the Institute.
